About Me

Hi NFTY-SW! My name is Maddie Schur and I am running to be your 2019-20 MVP! I am a rising senior from BITY, where I also am a Madricha. For the last few years, this region has given me a home away from home, so I hope to provide that to others as well! People would describe me as outgoing, passionate and determined. You can usually find me making a new friend, talking about NFTY or laughing at a vine.

Goals

- Work with MVP's to increase the participants at NFTY-PHX events
- Expand membership network to include TYG leaders
- Implement quiet rooms at regional events
- Work with TYG MVP's to create fun and engaging mixers for events that they can implement as well
- Connect with the network to gain and retain members at both a regional and TYG level
- Put all my effort into improving this region!
