

About Me

Hello NFTY-SW! My name is Natalie Shinbaum and I am running to be your next Social Action Vice President. I've been active in TCTY since eighth grade and found my love for NFTY my freshman year. I am the youngest of three children, which has taught me how to stand my own and be heard. I love social action projects where I can get my hands dirty, like making peanut butter and fluff sandwiches or breaking a sweat by marching for equality. When I am not singing in song session or swaying in friendship circle, I am either watching Bohemian Rhapsody, playing lacrosse, or jamming to any Queen song.

Fun Facts:

- I love sushi
- I can play guitar and sing (sort of)
- Both of my siblings have been in TCTY and NFTY
- I've had 9 different hair colors in the past 4 years
- My favorite band is Queen...or maybe they're more like an obsession (I've seen Bohemian Rhapsody over 10 times)
- I started playing lacrosse this year
- I can surf
